ABOUT US / HAKKIMIZDA

Pamukkale Roasting and Processing Systems, founded by Hidayet BICI in 1982, has emerged as a leading manufacturer of nuts and coffee processing machinery worldwide. By anticipating changes, we produce some of the highest quality and efficient nuts processing machines not only in Turkey but globally.

Our machines hold conformity certificates to international standards such as the Machinery Safety Directive CE and CE certificates for Gas Burning Devices. This ensures our machines can be installed and operated worldwide without encountering any obstacles.

With a commitment to customer satisfaction, we continue to serve customers both in Turkey and around the globe.

Vision:

To be the preferred leading brand in the field of nut, coffee, dried fruit, chocolate coating, fried, and seasoned product processing machinery.

Mission:

To provide environmentally friendly, innovative, reliable, and competitive products, ensuring maximum efficiency and customer satisfaction in the nut, coffee, dried fruit, chocolate coating, fried, and seasoned product processing machinery sector.

1982 yılında Hidayet BICI tarafından kurulan Pamukkale Kavurma ve İşleme Sistemleri, kuruyemiş ve kahve işleme makineleri alanında dünya çapında önde gelen bir üretici haline gelmiştir. Değişimleri önceden takip ederek, sadece Türkiye’de değil, dünyada da en kaliteli ve verimli kuruyemiş makinelerini üretiyoruz.

Makinelerimiz uluslararası standartlara uygunluk belgeleri olan Makine Emniyet Yönetmeliği CE ve Gaz Yakan Cihazlar CE belgelerine sahip olması sayesinde makinelerimiz herhangi bir engelle karşılaşmadan dünya genelinde kurulabilir ve kullanılabilir.

Müşteri memnuniyetini ön planda tutan bir anlayışla, hem Türkiye’de hem de dünyanın dört bir yanındaki müşterilerimize hizmet vermeye devam ediyoruz.

Vizyonumuz:

Kuruyemiş, kahve, kuru meyve, çikolata kaplama, kızartılmış ve soslu ürünler işleme makineleri alanında tercih edilen lider marka olmak.

Misyonumuz:

Çevre dostu, yenilikçi, güvenilir ve rekabetçi ürünler sunarak, kuruyemiş, kahve, kuru meyve, çikolata kaplama, kızartılmış ve soslu ürünler işleme makineleri alanında maksimum verimlilik ve müşteri memnuniyeti sağlamak.
